

Derek J. Lovett, Motivational Speaker, Educational Strategist, and Time Management Coach

I develop, implement, and support secondary education programs that help schools dynamically improve student behavior and performance.

Programs:

- Time Management
- SEL & Character Development
- ACT Study Prep

Note: All programs can run independently or complementarily to one another.

Program #1 – Time Management

Pricing per student	Price Breakdown	
\$100	Items (for each student)	Value
	Five 1-hr instructional sessions	\$500 \$60
	Student planner (tailored to training)	\$25
	Student worksheets (for five sessions)	\$15
Estimated Program Duration*		
Less than 300 students	One quarter	
300 - 500 students	One semester	
Greater than 500 students	Entire school year	
*Estimated program duration assumes an average of 25 students per instructional session and each student attending five sessions with ample days provided in between sessions for students to apply learning		

Notes:

- Initial PD session is included in the price
- Each student will receive a planner tailored to the training
- Worksheets/workbooks are provided for each instructional session
- Our first step will be to set a tentative schedule based on the structure of your school day

Pricing Example:

- 125 students
- Instructional Time: \$12,500
- Optional program “kickoff” student assembly available (\$1,500)
- **Total Price = \$14,000**

Program #2 – SEL & Character Development

Items	Price per student	Price Comparison for 100 students	Price Comparison for 500 students
Package A* (Slide deck only)	\$20	\$2,000	\$10,000
Package B* (Paperback book)	\$30	\$3,000	\$15,000
Package C* (Hard cover book)	\$40	\$4,000	\$20,000
Consulting (ongoing program support)	\$500/month (\$2,500 /semester)		
Additional motivational student assemblies	<ul style="list-style-type: none"> • One per semester (\$1,000) • One per quarter (\$750 each) • One per month (\$500 each) 		

*All packages include:

- Initial professional development session
- teacher slide deck with videos
- student reflection journals

Notes:

- Our first step will be to determine the optimal duration and function of the program at your school

Pricing Example:

- Package C for 100 students - \$4,000
- Optional program “kickoff” student assembly available (\$1,500)
- One motivation assembly - \$1,000
- Consulting for one semester (5 months) - \$2,500

Total Price = \$9,000

Program #3 – ACT Study Prep

Package	What's Included?	
4 weeks of materials (Unlimited Students)	<ul style="list-style-type: none"> • 16 English Study Sets • 16 Math Study Sets • 16 Science Study Sets • 16 Reading Study Sets 	\$1,000
Student Workshop (optional)	Motivational-styled, strategy-driven workshops tailored to helping students determine the study strategies, resources, and motivators that help them drive the best results	\$1,000 + \$5/student

Notes:

- Initial PD session is included in the price
- Additional packages can be purchased for the same price

Pricing Example:

- 200 students
- 4 weeks of materials - \$1,000
- Optional program “kickoff” student assembly available (\$1,500)
- Student workshop - \$1,000 + (\$5/student * 200 students) = \$2,000

Total Price = \$4,500
